

# Ontario Field Ornithologists

The Ontario Field Ornithologists is an organization dedicated to the study of birdlife in Ontario. It was formed to unify the ever growing numbers of field ornithologists (birders/birdwatchers) across the province and to provide a forum for the exchange of ideas and information among its members. The Ontario Field Ornithologists officially oversees the activities of the *Ontario Bird Records Committee (OBRC)*, publishes a newsletter and a journal, *Ontario Birds*, hosts field trips throughout Ontario and holds an Annual General Meeting.

All persons interested in bird study, regardless of their level of expertise, are invited to become members of the Ontario Field Ornithologists. Membership dues are \$13.00 Annual Member or \$260.00 Life Member. All members receive *Ontario Birds*, the official publication of the Ontario Field Ornithologists. Please send memberships to: Ontario Field Ornithologists, P.O. Box 1204, Station B, Burlington, Ontario L7P 3S9.
