

Several members' comments on "Who Banded the Most of What?" were not printed in this issue because of space limitations. They will appear in the next issue. *** So, also, will the list of What Returned the Most to Whom *** Robert T. Mitchell who gave that fine address at the Annual Meeting on "Returns from Floodlight Trapping at a Winter Blackbird Roost", writes that he will have the

paper, brought up to date by new data, ready for publication soon *** Betty Knorr, of Cheesequake, South Amboy, N.J. (new address), writes that banding has been good and that she was "especially thrilled to get three returns on woodcock" which she had banded last year *** Dr. Gordon M. Meade, Miners Memorial Hospital Assoc., 1427 I St., Wash. 5., D.C. is looking for an article by Carleton Sturdevant describing a method for making artificial Cliff Swallow nests. It appeared in EBBA NEWS between 1942 and 1949 he thinks. Can anyone help him? *** Co-Editor, FPF, Jr., who took enough time off from the Army to edit and prepare a large part of this issue, joins me in warmest greetings and wishes for a Happy Christmas to EBBA members everywhere and a New Year full of good things and interesting captures and bandings ***

IF I WAS ALADDIN,---

I'D SWAP NEW TRAPS FOR OLD !

(But then a turban always slips off my bald head,- so I sell traps.)

Don't risk the welfare of your feathered guests by using worn out traps. Replace them with our tested equipment.
