Dennis M. Power

Studies in Avian Biology, as successor to *Pacific Coast Avifauna*, is a series of works too long for *The Condor*, published at irregular intervals by the Cooper Ornithological Society. Manuscripts for consideration should be submitted to the Editor at the above address. Style and format should follow those of previous issues.

Price: \$9.00 including postage and handling. All orders cash in advance; make checks payable to Cooper Ornithological Society. Send orders to Allen Press, Inc., P.O. Box 368, Lawrence, Kansas 66044. For information on other publications of the Society, see recent issues of *The Condor*.

Current address of Frank E. Price: Biology Department, Hamilton College, Clinton, New York 13323.
