## Records in Recirculation

**Bicknell's Thrush** *Catharus bicknelli*—Ottawa County, 28 October 2001.

**Piping Plover** *Charadrius melodius*—Wyandot County, 26 August 2002.

**Rufous Hummingbird** *Selasphorus rufus*—Clermont County, early November–28 December 2002.

**Rufous Hummingbird** *S. rufus*—Wayne County, late October 2002–4 January 2003.

## Other Information

In recent elections, the following persons were named to the OBRC: Rob Harlan, Joe Hammond, and Sue Tackett. They replace Larry Rosche, Bernard Master, and Dave Dister to whom are due warm thanks for their service. Due to the untimely and very unfortunate passing of Cal Keppler, a temporary member will be appointed to fulfill the remainder of his term, which expires in 2004. 🦅

Up to five adult red-shouldered hawks were observed on a regular basis this season in Burton, Geauga County. Gary Meszaros was able to photograph this one there on 27 January 2003.
