Thanks to the Cleveland Museum of
Natural History for their support of *The
Ohio Cardinal*.

The Ohio Cardinal is a quarterly publication devoted to the study and appreciation
of Ohio's birdlife.

On the cover:

Ohio's second state record Mountain Bluebird appeared at the end of March, but was not publicized until
a few days later. Many birders traveled to see this individual, which remained in the vicinity of the Toledo
Express Airport through 17 April. This photograph by George Sydlowski on 09 April 2009 shows the
bird perched atop Common Mullein (*Verbascum thapsus*).
