

**YOU COULD MAKE YOUR OWN TRAPS
BUT WE CAN DO IT FOR YOU AT LOWER COSTS!**

- ONE-CELL
TRIP-STEP
TRAP** A good sturdy portable little job of all metal construction with galvanized floor and sliding take-out door. Our most popular model for feeding shelf or on the ground. Size 6 x 6 x 8".
- ONE-CELL
TOP-OPENING
TRAP** A good bush trap to be set in shrubbery or on a tree. Spring operated and all metal parts. Size 6 x 6 x 8".

Each of these traps \$2.00 plus postage (25¢). Canadian bandors add \$1.00 per trap to cover shipping and other charges. All traps available within 24 hours of receipt of order. Specify 1/2 or 1/4 wire mesh as desired.

GATHERING CAGE. A safe all-metal gathering cage with 100 uses! Size 4 x 5 x 8" with sliding door. \$1.00 postpaid in U.S.A.

Large traps of several designs available. For information write to:
