

NEWS AND NOTES

The wonderful scraperboard drawing of the California Condor that graces the cover and masthead of this August issue was kindly provided by N. John Schmitt of Norwalk, California. John is a freelance wildlife artist, with an emphasis on birds, especially raptors. Some of

his other drawings are published in the 3rd edition of the *National Geographic's Field Guide to Birds of North America* and in the *Field Guide to the Raptors of Europe* by W. S. Clark and N. J. Schmidt (Oxford University Press).
