RENEWAL NOTICE

You will be receiving your 1985 BIRD OBSERVER renewal notice in the mail soon. We would greatly appreciate your prompt response.

Bird Observer Winter Courses

BIRD OBSERVER is proud to present a series of courses to be given by Wayne R. Petersen in January through April 1985. Some of these are new adventures, and all are designed to offer our readers ways to broaden their interests and to perfect their birding knowledge and skills.

BIRD BIOLOGY: a four-session evening seminar series in January-February

A WORKSHOP ON MASSACHUSETTS GULLS: an evening seminar and an all-day field trip in March

FUNDAMENTALS OF BIRDING: a four-session evening seminar series in March-April followed by an all-day weekend field trip in April

The exact times, dates, locations, and costs are now being worked out; a descriptive brochure with registration information will be sent to subscribers. Your suggestions would be very helpful. If you have comments or questions, please call Martha Vaughan, BOEM Program Coordinator, at 244-0166.

Smaller! Lighter! Brighter!

NEW NIKON ROOF PRISM BINOCULARS

Who would have thought binoculars this light and compact could be so bright and sharp, even on cloudy days or in fading light! It's the unique Nikon combination of ingenious design, superlative coated optics and rugged precision construction that makes it possible. Choose the all-purpose 7x26 or extra powerful 9x30, from the maker of the famous Nikon camera system. See the difference Nikon quality makes.

For literature and discount prices covering a complete line of sporting optics and accessories, write to the "Optics Headquarters for the Outdoorsman."
