## ABOUT THE COVER ARTIST

Barry Van Dusen, based in Princeton, Massachusetts, has been a member of the Society of Wildlife Artists since 1994. Barry traveled to London last summer to attend the 1998 Member's Exhibition of that organization. He also found time for some field sketching in Scotland. Barry's work has appeared recently on the cover of *Bird Watcher's Digest*, and he illustrated an article on Black-tailed Gulls that appeared in the December 1998 issue of *Birding* magazine. A selection of Barry's work can be seen at a one-man show scheduled for the Princeton Center on Boylston Avenue in Princeton, Massachusetts, February 19-21; call Barry at (978) 464-5307 for more information, or for "weather dates" if conditions warrant postponement.
