**MASSBIRD.ORG: Massachusetts Birding On-Line**

*Bird Observer* is the sponsor of a statewide birding web page, Massbird.Org (pronounced "Massbird Dot Org"). While the home page itself is primarily a series of links to existing web sites of interest to Massachusetts birders, *Bird Observer* has also made web space (and even web page design) available at no charge to all bird clubs in the state. Massbird.Org is also host to the Massachusetts Avian Records Committee home page. Please visit us at:

If you represent a bird club, and would like to post a web site at Massbird.Org, please e-mail us at [Webmaster@Massbird.Org](mailto:Webmaster@Massbird.Org).
