

# New England Outdoors Is Moosish On New England

## MOOSISH?

We think New England is the best place in the whole world to live, work and play. We think you do too. Yes, we're Moosish — that's our special Yankee way of saying we love not only the land and the people, but the idea that is New England.

Each month the New England Outdoors Natural History Series gives you the entire life story of one of the living things native to our neck of the woods. The shark, bobcat, loon — and we're working on the moose now.

### A Magazine Like No Other
