

BIRD OBSERVER REPRINTS

Each year many new subscribers request back copies or volumes of Bird Observer to complete a set, or more often than not, they are interested in a particular bird-finding article. Below is a complete list, by volume, of all the "where to go" articles. You may purchase back volumes for \$6.50 per year, or individual copies for \$1.25 through our subscription manager at Bird Observer, 462 Trapelo Road, Belmont, MA 02178.

As always, Bird Observer is pleased to receive material on topics of field ornithology, bird-finding articles, or updates of any area you would like to share with us. Bird Observer exists to serve the local birding community; thus readership participation is not only desired, it is essential.
