

## TAKE A SECOND LOOK

The Take a Second Look (TASL) water bird censuses will be conducted on March 16, April 13, and November 23. A heron census on July 20 and a shorebird census on August 3 are also scheduled. Committed volunteers are needed, particularly for the latter two dates. Please contact Craig Jackson for additional information (864-1917).

Summary reports of these census trips will appear periodically in Bird Observer, and more-detailed reports, including the data gathered, interesting observations made on these trips, and articles examining the occurrence of various species in Boston Harbor, will be published regularly in the TASL Newsletter. If you would like to receive this newsletter and be on our mailing list, please send \$1.00 to Craig Jackson, 531 Putnam Avenue, Cambridge, MA 02139.

For a gift that is thoughtfully perfect for bird watching friends (or for yourself!), consider a year's subscription to the exciting new national bi-monthly magazine, Bird Watcher's Digest. It features the best in contemporary birding literature.

One can subscribe for a year (6 issues) by sending \$7.50 to Bird Watcher's Digest, Box 110-M, Marietta, OH 45750 (add \$2.00 for Canada and foreign).
