## BOSTON HARBOR WATERFOWL CENSUS

On November 15, 1981, the TASL project of BOEM is conducting a survey and census of waterfowl of Boston Harbor. For more information, call Craig Jackson, 321-4382, or Soheil Zende, 628-8990.

## CHRISTMAS BIRD COUNT

The Annual Greater Boston Christmas Bird Count will take place on Sunday, December 20, 1981. Interested birders should contact Bob Stymeist, 358 Tappan St., Brookline 02146. Many localities within Route 128 need coverage; if you could give even a few hours canvassing your own neighborhood, it would better reflect the bird populations within Greater Boston.

## Owls by Day and Night

by Hamilton A. Tyler

Up-to-date information on all species of owls found in the United States and Canada. Dennis J. Martin of the Wilson Ornithological Society acclaims this book as "one of the more useful on the market today... I recommend this book highly."

*The Condor*, publication of the Cooper Ornithological Society informs us that "this

is a book for birders... Chapters on general topics are followed by in-depth species accounts. These are very informative, yet nontechnical and readable..." Text is enhanced with beautiful full-page color illustrations of all 18 North American species, range maps, drawings, and photographs. Cloth \$10.95; paper \$6.95. Order from Naturegraph Publishers, P. O. Box 1075, Happy Camp, CA 96039. Postage: add 65¢ for 1st book & 20¢ for each additional book. CA residents please add 6% sales tax.
