NOTICE TO CONTRIBUTORS

Manuscripts can be submitted in Spanish, Portuguese, or English on any aspect of avian biology, in the Neotropics. However, we do not accept submissions on new geographical records or range extensions unless those are presented in a broader biogeographical context. All papers submitted shall reflect the results of original research. Authors are not required to pay page charges for figures, each with an arabic number. Use long dashes “Alt+0150” for page numbers in references (e.g., 35–49). Consult a recent issue of ORNITOLOGIA NEOTROPICAL for details of citations.

Make sure that all citations in the text are listed in the end of the paper, and that all papers listed have been cited. In-text citations of publications by two or more authors should be as, e.g., “Buckley et al.”. Check for correct journal abbreviations. For book citations, add publisher, city, and federal state or country. Use long dashes “Alt+0150” for page numbers in references (e.g., 35–49).

Proof corrections will be made without charge but authors’ revision of proofs, not due to page-setting errors, will be charged to the author at US $5 per revision line. Return proofs and authors involved in a manuscript at the date of submission must be maintained throughout the processing of the manuscript; later changes will not be accepted and will result in excluding the manuscript from the further review and editing process.

Please provide names of 4–5 independent referees when submitting your manuscript.

All persons interested in publishing in ORNITOLOGIA NEOTROPICAL are welcome to submit their manuscripts to Dr. André-A. Weller, Editor, Zoologisches Forschungsmuseum A. Koenig, Adenauerallee 160, 53113 Bonn, Germany (E-mail: a.weller@zfmk.de).

MANUSCRIPTS

Potential authors are invited to obtain additional detailed instructions from the editor or online (http://www.biologi. unam.mx/links/neo.html).

Manuscripts should be only submitted by e-mail and must be in Word format (i.e., text as .doc). Type all parts of the manuscript double-spaced on one side of letter size (216 x 279 mm or similar) pages, with at least 25 mm margins. Avoid footnotes. Provide a concise title and an abridged title for a running head. Avoid using tables as much as possible. Put each table, figure, and their legends on extra pages (after References). Material in the tables or graphs should not be repeated in the text. Write mathematical formulas on one line, where possible.

All major papers should have an abstract in English and another one in Spanish or Portuguese, designed to acquaint readers with the essential points in the text. All persons interested in ornithology may become a member of the Neotropical Ornithological Society upon payment of dues. Members of all classes receive ORNITOLOGIA NEOTROPICAL quarterly. Membership dues per calendar year are: Students inside Latin America - $35; Residents of Latin American/Caribbean $42; Residents outside Latin America $55; 4-year membership (4 x rate above); Libraries/Institutions - $150; Life members - $1,000 (can be paid in four $250 installments over one year).

ORNITOLOGIA NEOTROPICAL of the current year is sent by third class mail. All payments must be to the Treasurer in US currency using one of the following options:

1. You may write a check made out to “Neotropical Ornithological Society” and mail this to the NOS Treasurer at the address below.
2. You may use a credit card to pay online using the JustGive website (www.JustGive.org; see instructions at bottom of page) or PayPal (http://www.biologia.unam.mx/links/neo/pay.html; go to Page Charges line).
3. Payments made from within the USA can also be made as direct deposit into the NOS bank account:

   Organization: Neotropical Ornithological Society
   Bank: Bank of America
   Bank Account: 4350 2080 0319
   SWIFT Code: BOFAUS3N
   Bank Address: 235 Maple Avenue West, Vienna, VA 22180, USA
   Bank Phone: (703) 319-2670

   We are no longer able to accept credit card information over e-mail for security reasons. For questions about payments please contact the treasurer Daniel Lebbin (nestreas@yahoo.com).

ORNITOLOGIA NEOTROPICAL (USPS 0019841, ISSN 1075-4377) is a refereed journal published quarterly. Periodical postage is paid at East Lansing, MI 48823, USA and additional mailing services.
