

NEBBA ANNUAL MEETING

The annual meeting of the Northeastern Bird-Banding Association will be held on Saturday, October 2, at the Cook's Canyon Sanctuary of the Massachusetts Audubon Society, near Barre, Massachusetts. Barre is located in the center of the Commonwealth of Massachusetts, at the intersection of routes 32 and 122.

Those interested in appearing on the program should get in touch with Dr. Charles H. Blake, Lincoln, Mass.

A hot meal will be served at noon, with the cost to be \$1.75 or less. For reservations, write Mr. Richard M. Hinchman, 75 Fairbanks Road, Milton 86, Mass.

EBBA members will be most welcome at this meeting.

A SIMPLE WATER-DRIP

by Mrs. Charles E. Peterson
Madison, Minnesota

The accompanying photograph, as well as the sketch on the next page, shows a very simple water-drip mechanism used by Mrs. Peterson.

All that is necessary for this type of water-drip is to have a pet-cock soldered to the bottom of a can or bucket. Other banders prefer to use a syphon arrangement with a hose-clamp to adjust the flow of water.
