

You can gather from this, then, how difficult it is to obtain much data from other Canadian banders. Those with whom I correspond, since they have been banding only a short while, can count their recoveries to date on the fingers of both hands. Hence, the lack of accurate, up-to-date banding information available here.

I should be very glad to hear from other members of EBBA and am looking forward eagerly to receiving my first copy of EBBA NEWS. Incidentally, if any back copies are available, I should

SUSTAINING MEMBERS

The following are the Sustaining Members of the Eastern Bird Banding Association and, as such, are carrying much of the financial load of the recent improvements and additions to EBBA NEWS. If at all possible, won't you add your name to this list making even more improvements to our bi-monthly publication possible?

Respectfully,

Elise Dickerson
