Elise Dickerson, Treasurer

SQUIRRELS  
and TRAPS

Elinor McEntee writes: "Concerning wooden blocks or stones to hold trap doors shut to permit squirrels easy exit -- just how do you teach a squirrel to make his departure politely through such conventional means? My furry marauders seem to have the philosophy that it's best to chew and bite and bend, twist, uproot, turn over, and generally make a mess of everything, but never, never, leave by the door!"
