

ANNUAL MEETING AT SCHWENKSVILLE, PA.

April 15, 16 & 17 are the dates for EBBA's 1966 Annual Meeting, and plans are being readied to make this the most worthwhile and interesting gathering in EBBA history.

Almost in the center of EBBA territory, Schwenksville is only a few miles from the Pennsylvania Turnpike - about 20 miles northwest of Philadelphia and about 40 miles north of Wilmington, Delaware.

Spring Mountain House overlooks the village and the beautiful Perkiomen Creek Valley -- EBBA will have it exclusively for the weekend.

Members wishing to present papers at the Annual Meeting should send particulars without delay to Program Committee Chairman, Miss Rebecca Cregar, 223 Matsonford Road, Radnor, Pennsylvania.
