

This is the issue of EBBA News which brings you the first real information about the 1968 Annual Meeting. Now that you have an idea of the plans ahead, make your reservation - if not now, as soon as possible.

As you know we are meeting at the western edge of our territory and IBBA members have been especially invited to attend our meeting and exchange ideas. This means that our fellow banders in charge of guessing how many rooms should be reserved have an additional unknown factor to contend with. We want enough space available for all, but EBBA does not want to foot the bill for unused holdings. Please cooperate and plan ahead.

The best in banding to you all for 1968.

Rebecca Cregar, 223 Matsonford Road, Radnor, Pa. 19087
