

Minutes of the Council Meeting, (Committees) (Education) CONT'D FROM PG. 174

Education (Dr. M. Clench)- This committee is still active as a clearing house for speakers on banding. It has been suggested that Inland Bird Banding get the same program started because requests have been received covering their are. Report was accepted with thanks.

Membership (Herbert Volker)- Letter were sent to all banders receiving permit action during past year and was not already an EBBA member. In this manner we obtained another 66 members. Totals to date: 714 members of EBBA.

Net Committee (R. Merritt, R. Waechter)- Report accepted with thanks.

By-Laws (Dr. C. Blake)- This committee will report at next (1972) meeting.

AMFO (F. Schaeffer)- Fred cannot continue with AMFO due to heavy editor's workload. The initial plans were to be able to compare flow of migration of the Yellowthroat, adults/immatures along the flyway. In order to have significant meaning, project should be maintained for at least 5 years. It is sincerely hoped council and membership can be motivated to retain AMFO. Here we have a voluntary workforce of some 100 banders who can be asked to provide much needed data. Report received with sincere thanks.

NACOBBA- Dr. C. Blake has been re-appointed and Dr. J. Swinebroad re appointed to Bird Banding Editorial Board.

---ADJOURNMENT: The meeting adjourned at 5.30 P.M.

+++++

Mrs. Frederic Luther, of 4515 Marcy Lane, No. 239, Indianapolis, Indiana 46205, requests to hear from anyone who has had a return, recovery or repeat of a Pileated Woodpecker. Mrs. Luther is engaged in a study of banding data on this species and would like to receive such data in full detail with dates, places involved, etc. Let's help Mrs. Luther to unravel some of the secrets of this beautiful bird!!!

HOW ABOUT A SWAP? - Mrs. Robert Gstell of "Evergreen Sanctuary", 229 Middleton Rd, Berlin, Conn. 06037, would like to obtain some music magazines. She is willing to trade issues of EBBA News and other, as indicated below to obtain the music magazines. We applaud this, because this keeps EBBA News circulating among those interested in ornithology, rather than in some dusty closet.

Mrs. Gstell has available against a swap for music magazines or a direct cash offer the following:

Bulletin of the Northeastern Assn: Vol. I April 1925, #2.

Vol. II October 1926, #4.

Bird-Banding, Vol I., April 1930, #2.

EBBA NEWS-COMPLETE SETS IN MONT CONDITION - the following years: 1950 thru 1965.

Mrs. Gstell is interested to obtain the following music magazines: Tempo, Orchestra World, Downbeat, Swing, Billboard, Variety, Metronome, Music & Rhythm - - all 1925-1945 incl.

Also available from Mrs. Gstell is one copy of "Manual for the Bird Bander" U.S. Dept. Int. Wash. D.C., 1947; one copy of "Instructions for Bird Banding" by F.C. Lincoln, April 1921.
