Presentation of Gifts to our Charter Members at the 50th Annual Meeting

1st Vice President C. N. Rose, presented mementos of the 50th Annual Meeting to our three charter members at the Banquet. Unfortunately, Mrs. Gillespie could not be present.

TO RAYMOND MIDDLETON: For his early founding efforts in bringing EBBA into being. His warm greetings and friendship have lent confidence to many of us new to the Association. Especially to me....

TO MABEL GILLESPIE: A small token of appreciation for you, and in memory of your late husband John, for the many articles you have contributed to EBBA and EBBA NEWS. They served as a "threshold" from which members could depart in their projects.

TO HAROLD CLEAVES: Another member of our founding committee. Now that we've become re-acquainted, we hope you'll give more of your time and experience to EBBA.

TO THE MEMBERS OF THE EASTERN BIRD BANDING ASSOCIATION

I do want to thank you all for being honored as a charter member at the Island Beach Fiftieth Anniversary meeting. The glass bird that was given is very beautiful and shall enjoy it for a long time as I see it every day on our mantel over the fireplace.

It has been my good fortune to having attended all but the first two meetings of EBBA, each year we are able to renew old friendships which we cherish and if lucky make new friends. The wholesome atmosphere that prevails at the annual meetings surely makes one look forward to the next year.

Thanks again and with kindest wishes, my I remain,

Cordially yours,

Raymond J. Middleton
