

**EDITORIAL**

**Acknowledgments.**—This concludes my second volume as editor of the *Florida Field Naturalist*. I wish to thank the officers and members of the Florida Ornithological Society for support of the journal. I appreciate the help of the Associate Editors, especially O. Owre. Special thanks go to R. Loftin for the 5-year index and F. Lohrer for Florida birds in the periodical literature. My editorship was made easier with the encouragement and support of the Florida Game and Fresh Water Fish Commission. The following individuals accepted the arduous, thankless task of reviewing manuscripts during this volume: T. Bancroft, S. Beissinger, C. Belden, W. Biggs, J. Brady, R. Brown, P. Buckley, D. Buden, S. Christmen, R. Crawford, W. Frankenberger, R. Franz, S. Godley, L. Harris, W. Hoffman, S. Humphrey, J. Jackson, P. Johnson, H. Kale, H. Langridge, F. Lohrer, D. Maehr, B. Neville, T. O'Meara, R. Paul, G. Powell, R. Repenning, S. Sealy, H. Smith, W. Southern, J. Spendelow, H. Stevenson, P. Sykes, and W. Taylor.
