

ANNOUNCEMENT

TIOF Endowment Fund Proposal.—The International Osprey Foundation (TIOF) is seeking applications for its second grant to support research activities of a graduate student primarily focusing on Ospreys. Work with other raptor species may be considered, however. The award recipient will be expected to provide a report on his or her research and use funds within a year of receiving the grant.

Gustavo D. Danemann, a graduate student with the Seabird Program at the Universidad Autonoma de Baja California Sur, Marina Biology Department in La Paz, Mexico, was awarded the first grant. He is studying the breeding ecology, philopatry and dispersion of Ospreys in the coastal lagoons of Baja California and the effect of nest density on breeding performance.

Applicants should submit a proposal outlining their project and the intended use of the funds by April 15, 1991. The grant will be awarded on June 1, 1991. Send applications to: TIOF, Endowment Fund, P.O. Box 250, Sanibel, Florida 33957-0250, USA.

**FLORIDA ORNITHOLOGICAL SOCIETY
