TAKE PRIDE IN AMERICA

America's Federal, State and local public lands provide important opportunities for YOU to enjoy the outdoors and learn about your natural surroundings and cultural heritage. Each year millions of Americans just like YOU camp, hike, boat, swim, hunt, fish, bird-watch, sight-see, and learn about the natural and historical diversity of America's public lands.

To help insure that public lands continue to meet increasing demands for recreation, Americans must develop a greater sense of ownership, pride and responsibility for public lands.

What can YOU do? Be proud of your public lands and use them wisely. Pickup litter when you see it. Report vandalism and misuse. Volunteer your time for special projects. Contact your local land managers to learn more about how you can help by taking pride in America.
