## WANTED.

The Nuttall Ornithological Club is much in need of copies of Vol. I, No. 1 (April 1876), and Vol. II, No. 1 (January 1877) of this Bulletin. Any one having a copy of either of these numbers in good preservation which he can spare, will confer a favor by mailing it to CHARLES F. BATCHELDER, Cambridge, Mass., and will receive fifty cents by return mail.

## NEW ENGLAND BIRD LIFE

BEING A

## MANUAL OF NEW ENGLAND ORNITHOLOGY.

Revised and edited from the manuscript of Winfrid A. Stearns, member of the Nuttall Ornithological Club, etc. By DR. ELLIOTT COUES, U. S. A., Member of the Academy, etc. Part I. Oscines (Singing-birds), illustrated, \$2.50.

The most complete Cyclopaedia of Singing-birds of New England. The Editor's name is a guarantee that the work is thoroughly and completely prepared.

The study of the Ornithology of New England has been carried forward with rapid strides during the last few years, and the time has arrived when a standard volume covering the whole ground, and presenting in a concise and convenient form an epitome of Bird Life of New England, should be written. Such a work Mr. Winfrid A. Stearns undertook several years ago at the suggestion of Dr. Coues. The plan of this book is to give descriptions of the birds themselves, enabling the student to identify any specimen he may have on hand; local distribution, migration and relative abundance of every species.

The manuscript has been revised and edited by Dr. Elliott Coues, and the present volume, embracing the large and important order Oscines, has received in its arrangement and in its copious illustration the personal supervision of that gentleman. The work is an invaluable one for the student, containing as it does, the results of the latest investigations and being especially adapted to practical use.—*Boston Courier*.

"It is a valuable addition to the literature of Ornithology and its value and interest are increased by the very meritorious illustrations. It is doubtless the most complete and satisfactory exposition of the Bird Life of New England that has yet appeared."—*Salem Gazette*.

"This book is a benefaction to the rising generation which they cannot too highly prize. Let it find a place on every parlor table and in every public library."—*Portland Argus*.
