DESCRIPTION OF THE ISLANDS .....	2
TERMINOLOGY AND METHODS OF ANALYSIS .....	5
SPECIES ACCOUNTS .....	8
HYPOTHETICAL LIST .....	59
DISCUSSION .....	60
Breeding Seabirds .....	60
Visitant Waterbirds .....	61
Group 1: Pelagic seabirds .....	61
Group 2: Neritic seabirds .....	62
Group 3: Estuarine and freshwater birds: non-Charadrii .....	65
Group 4: Estuarine and freshwater birds: Charadrii (shorebirds) .....	66
Visitant Landbirds .....	69
Group 1: Landbirds regularly breeding or wintering in coastal central California .....	72
Group 2: Landbirds regularly breeding or wintering in interior lowland central California .....	77
Group 3: Landbirds regularly breeding or wintering in montane central California .....	80
Group 4: Landbirds regularly breeding or wintering in the Great Basin of central California .....	82
Group 5: Vagrant landbirds .....	83
Breeding Landbirds .....	88
California Island Breeding Landbirds and the Immigrant Pool .....	93
SUMMARY .....	97
ACKNOWLEDGMENTS .....	99
LITERATURE CITED .....	100
ADDENDA .....	103

## TABLES

Table 1. Farallon occurrences of pelagic seabirds .....	62
Table 2. Farallon occurrences of neritic seabirds .....	63
Table 3. Farallon occurrences of estuarine and freshwater birds: non-Charadrii .....	66
Table 4. Farallon occurrences of estuarine and freshwater birds: Charadrii (shorebirds)...	67
Table 5. A quantitative summary of Farallon occurrence rates of groups of landbird species .....	70
Table 6. Farallon occurrences of landbirds regularly breeding or wintering in coastal central California .....	73
Table 7. Farallon occurrences of landbirds regularly breeding or wintering in interior lowland central California .....	79
Table 8. Farallon occurrences of landbirds regularly breeding or wintering in montane central California .....	81
Table 9. Farallon occurrences of landbirds regularly breeding or wintering in the Great Basin of central California .....	83
Table 10. Farallon occurrences of vagrant landbirds .....	85
Table 11. Changes in the community of breeding landbirds on the Farallones, 1864–1976 .....	89
Table 12. Species of landbirds known to have bred or suspected of having bred on the California islands .....	91
Table 13. Farallon occurrences of landbird species known to have bred on the California islands .....	94

## FIGURES

Frontispiece. Southeast Farallon Island during summer, 1975. This exposure, looking north-east, shows the marine terrace, Lighthouse Hill, all but two of the present buildings, the radio tower, and all of the island's trees. Photograph by Bill Parsons .....	vi
Figure 1. Map of coastal central California showing the location of the South Farallon Islands .....	3
Figure 2. The adult Yellow-throated Warbler captured and banded on Southeast Farallon Island 8 July 1969. First California occurrence. Photograph by Henry Robert .....	47
