

Christmas Bird Counts 2009–2010

By *Ned Keller*

8098 Turcotte Lane
North Bend, OH 45052
keller@one.net

We managed to conduct only 65 Christmas Counts this year—fewer than were held the last few years, because extreme weather forced the cancellation of several counts. We still managed to find 157 species, about average for recent years. Somewhat unusually, no additional count week species were reported. In the race for the most species, Toledo led the pack once again, with 95 species. The only other count in the 90s was Wooster, with exactly 90; Millersburg had 87, Western Hamilton County had 86, and Ragersville had 85.

Fully 21 species were found in only one count circle: a Ross's Goose in Tiffin; a Blue-winged Teal in Elyria–Lorain (plus another count-week bird in Hamilton–Fairfield); two Northern Bobwhites in Western Hamilton County; a highly unusual record of American White Pelican in Hamilton–Fairfield; a Golden Eagle in Grand Rapids–Waterville; a Spotted Sandpiper in Brown Family Environmental Center; a Purple Sandpiper and a Dunlin in Lake Erie Islands; a Thayer's Gull, two Iceland Gulls, and three Glaucous Gulls at Grand Rapids–Waterville (another count week Glaucous was

at Toledo); a Loggerhead Shrike at Adams County; a White-eyed Vireo at Clark County; a Cape May Warbler at Ragersville; a Vesper Sparrow at Toledo; a Lark Sparrow and a Harris's Sparrow at Western Hamilton County; a Yellow-headed Blackbird at Ottawa National Wildlife Refuge; two Brewer's Blackbirds at Adams County; two White-winged Crossbills at Hocking Hills; and two Evening Grosbeaks at Preble County. At the other end of the spectrum, 15 species were found in all 65 circles: Mallard, Cooper's Hawk, Red-tailed Hawk, Red-bellied Woodpecker, Downy Woodpecker, Blue Jay, American Crow, White-breasted Nuthatch, European Starling, American Tree Sparrow, Dark-eyed Junco, Northern Cardinal, House Finch, American Goldfinch and House Sparrow.

As always, the results printed here are as reported—no attempt has been made to check them for accuracy.

White-breasted Nuthatch, photographed by Dave Lewis at Rocky River Reservation, Cuyahoga, on 21 Feb.
