

THE

OHIO CARDINAL

DEVOTED TO THE STUDY AND APPRECIATION OF OHIO'S BIRDLIFE · VOL. 35, NO. 3 SPRING 2012

The Magee boardwalk is a spring warbler paradise offering delightful close-up views of these migrating gems. This charming Black-throated Blue Warbler was photographed by Laura Keene on 06 May.

On the cover:

Least Tern is the smallest tern in North America and an accidental spring visitor to Ohio. Sherrie Duris astutely picked this bird out of the multitudes resting on the inland beach at Maumee Bay SP on 16 May. Photographer Brian Zwiemel captured this amazing image on 18 May.
