REPORT OF EBBA COMMITTEE ON PROPOSAL FOR A NORTH AMERICAN  
BIRD BANDING ASSOCIATION

For the Eastern Bird Banding Association, President Horace Groskin, on June 28, 1951, appointed a Committee, consisting of Geoffrey Gill and Beecher S. Bowdish, to study the proposal for a nation-wide bird banding organization and report thereon.

As the essential matters involved, the Committee has considered first; the need for such an organization and second; the feasibility of creating it as something which would successfully function for the achievement of its objectives.
