CORRESPONDENCE.

Obituary Notices.

EDITOR OF 'THE AUK':

The undersigned begs to call attention to the following facts disclosed by an examination of the last list of Deceased Members of the A. O. U.

(1). That 3 Corresponding Fellows (Altum, Hoast and Philippi) and 1 Member (Judd) have never had any obituary notices in 'The Auk.'

(2). That nearly one half (55) of the deceased Associates have never had obituary notices.

(3) That during the last two years eight Associates have died without mention except in the list of Deceased Members. These Associates are Beers, Butler, Mrs. Davis, Hales, Hill, Miss Howe, Marsden and Welles.

(4). That every obituary notice should give at least the full name of the person and the date and place of birth and death. Fully 50 percent of the obituaries in 'The Auk' fail to mention one or more of these essential facts.

Respectfully,

T. S. PALMER.

[While entirely in accord with Dr. Palmer's suggestion, the editor begs to call attention to the fact that incomplete notices of deceased members are often sent in for publication only a short time before the number of

'The Auk' goes to press. Promptness of publication is important and there is no time for the necessary correspondence to complete the records. In the case of Associates the editor seldom learns of deaths until the list of members for the next year is submitted for publication.

The best plan that suggests itself for keeping an accurate record of deceased members, and ensuring proper obituary notices, would be to appoint some competent member of the Union, such as Dr. Palmer, as a permanent committee on History and Biography, a suggestion which is hereby respectfully offered to the president and council. Time of Incubation.

EDITOR OF 'THE AUK':

The writer is gathering data on the length of the incubation in various bird species. He would like to ask if any of the readers of 'The Auk' could help him in this quest. Knowledge of the exact time would be preferred but an approximate might help. He has already collected a considerable mass of information on this subject, but wishes more, especially concerning the lower and lowest forms of bird life. Any expense in this matter would be gladly defrayed by the writer.

Yours cordially,

W. H. BERGTOLD.

Proposed Revision of the By-Laws of the American Ornithologists' Union.

EDITOR OF 'THE AUK':

I wish to address all working ornithologists and oölogists in the United States and Canada,—through the columns of 'The Auk,' 'Condor,' and 'Wilson Bulletin.' For a number of years, there have been many of the working ornithologists and oölogists who have not been satisfied with the present by-laws of the American Ornithologists' Union. This dissatisfaction has been shared alike by "Fellows," "Members" and "Associates" of the Union. We have seen in a mild form from time to time this dissatisfaction expressed in the columns of 'The Auk,' only to be side-tracked and dropped with but small notice and courtesy.

I have just received the annual circular letter from the A. O. U., stating my dues for the ensuing year are now due, and asking for new members, etc., etc. Each year as I look over this communication I ask myself, "Shall I continue in the A. O. U., and what can I offer a new member as an inducement to have him join the "Union?" Carefully looking through the pages of the by-laws I can find no inducement to offer him, nor do I see any
