
NOT IN MORE THAN A CENTURY

has a book on America's birds been offered to booklovers which approaches the importance of this magnificently illustrated volume.

The intense and growing demand by art collectors for the works of Athos Menaboni is a rare and convincing tribute to the genius of this truly great creative artist.

To Athos Menaboni's masterful portrayal of the birds of forest and marshland, of mountain fastness and water-course wilderness, his wife Sara has contributed a text—intimate, gay and informal—a book of delightful personality as well as breathtaking beauty. Here is a volume far surpassing any other volume on America's birds that has been created in generations. 32 full-page plates, printed in full natural color. 13 full-page plates in black and white. Ornithological notes on the reverse of each plate. Plus many sharp detail drawings scattered throughout the text. Size 9" x 12". \$10.00.

THE AUK

A Quarterly Journal of Ornithology

ORGAN OF THE AMERICAN ORNITHOLOGISTS' UNION

For publication in 'The Auk,' articles or notes must present material that has not been published elsewhere and that is of significance to ornithologists. All manuscripts should be typewritten, double spaced, with wide margins. Titles should be brief. Terminal bibliographies are used as a rule for long articles. Where fewer than five references to literature are made, they may be inserted in parentheses in the text. References in manuscript for 'General Notes' must always be in the text. Consult issues of 'The Auk' since January, 1949, for style of citation. Long articles should be summarized briefly. Footnotes, Roman numerals, and ruled tables are to be avoided. Acknowledgments belong in the text. Line drawings must be in India ink on white paper or drawing board; usually these should be planned for at least one-half reduction when printed. Thus, details and lettering must be correspondingly large. Captions must be brief. Photographs must be hard, glossy prints of good contrast. Common and scientific names of North American birds should follow the A.O.U. Check-List except in taxonomic papers giving formal, critical discussions.

Proofs of all articles and notes will be sent to authors. Reprints from articles, 'General Notes,' and 'Correspondence' are to be paid for by the author. These must be ordered from the Editor on the blanks sent with the proof and must be returned with the proof. Printed covers can be furnished at additional cost.

All articles and notes submitted for publication and all books and publications intended for review should be sent to the Editor,
