SEVENTY-SECOND STATED MEETING

The Seventy-second Stated Meeting of the A.O.U. on the University of Wisconsin campus at Madison will follow the general chronological pattern used last year. Business meetings will be held on Wednesday, September 8, 1954, two days after Labor Day. Paper sessions will occupy Thursday, Friday, and Saturday. The meeting will close with a field trip to the Horicon Marsh area, Sunday, September 12.

Housing facilities in the University dormitories will be available for approximately two hundred persons. The paper sessions will be held in the theater of the Memorial Union, which faces Lake Mendota and which was the site of a highly successful meeting of the Wilson Ornithological Club in 1949.
