May 15, 1920, under the Act of August 24, 1912

Accepted for mailing at special rate of postage provided for in the Act of October 3, 1917, embodied in paragraph (d)—(2) of Section 34.40, P. L. and R., of 1948, authorized May 15, 1920.
SAW-WHET Owl (*Aegolius acadicus*) IN ACTION. *(Top)* with wings spread, the bird watches, ready to fly down for a mouse. *(Bottom)* In flight. These pictures and those on the following plate were taken indoors by Robert C. Hermes.
SAW-WHET OWL IN ACTION. (Top) Photographed just an instant before it touched a mouse, its talons fully spread and its eyes wide open. (Bottom) Immediately after striking a mouse. The impact of the blow has raised the rear of the mouse. The eyes of the bird are closed when it strikes.
