ing the thermometer registered 38 deg. and they were all awakened in the night by a hailstorm, the pellets as big as eggs (Hummingbird's) banging on the shake roofs with a tremendous noise. An interesting letter from Joe Grinnell written a few days before he left Cape Nome for home was also read. By the way, Robertson, I was the only member present, but we had all the elements of a successful meeting and with the above pointers you ought to give a report which will make the Northern fellows green with envy! Where were the rest of them? Not necessary to state number of members present!

Truly Yours, FRANK S. DAGGETT. dos dos dos
