PACIFIC COAST AVIFAUNA

No. 8. A Systematic List of the Birds of California, by Joseph Grinnell. 1912. 23 pp. Price \$.50 post paid.

Students of western ornithology should find use for such a list, containing the birds of California arranged in accordance with modern views on classification.

No. 9. Some Birds of the Fresno District, California, by John G. Tyler. 1913. 114 pp. Price \$1.50 post paid.

This publication is mainly based upon the personal observations of the author over a period of more than ten years. It contains extended accounts of the habits, food, etc., of the birds of a region that has undergone radical changes during the author's residence. The subject matter is attractively presented; it is entertaining reading for anyone, and it is also a signal addition to the life histories of California birds.
