The "Birds of Florida" appeared upon the market late in December, 1925. It is the desire of the author that a copy find its way into the library of every Cooper Club member, and anyone who feels he would like to purchase a copy on the installment plan can do so, paying in four equal monthly payments of \$5.00 each.

The "Birds of Florida" is a color key to the birds that are now and that have been found within the state and its adjacent waters. These are shown by 486 figures on 76 nine by twelve inch full page color plates by George M. Sutton.

The price of the work delivered to you is twenty dollars.—HAROLD H. BAILEY, 204-05 Professional Bldg., Miami, Fla.
