**PRICE LIST OF PUBLICATIONS ISSUED BY THE  
COOPER ORNITHOLOGICAL SOCIETY**

January 1, 1954

In issuing this new list we have made many changes but have endeavored to price the items as low as is consistent with our limited editions and in accordance with a recent inventory. Many of our publications are now nearly depleted and some entirely sold out. All these publications are sent post paid anywhere in the United States; for sales in California please add 3% sales tax on all items except the Condor journal.

We are continually buying in old publications of the Society and at times can supply complete files. Send us your want list.
