WANTED—Reed, Birds' Eggs of North America. Please state price and condition.—ED N. HARRISON, *1134 Glendon Ave., Los Angeles 24, Calif.*

BINOCULARS—Because, and only because, we have a Repair Shop, we can (and do) check each binocular. Those with optical defects (strikes, fungus stains, chips or fractures), or mechanical defects (jerky movement or play in moving parts), we return to the importer. Each glass sold, irrespective of price—even our "Mirakel Specials" from \$29.50 up—we shock test and fasten loose parts, and "tune-up" alignment to 1/1,000! With each we give our FREE-SERVICE GUARANTEE. 30-day trial to assure choice of "right" model. Also Balscope and Bushnell scopes with permanently attached boss for mounting directly on tripod (saving \$6.85 cost of a separate tripod adapter), wide-field 20X eye-piece (100 per cent more viewing area), and other remarkable attachments. Send for detailed catalog, and "Know Your Binoculars," 12-page booklet reprinting our article published in Audubon Magazine, 10¢—no charge to COS members. Also, our famous Repair Shop overhauls all makes—usually in 3 to 4 days.—THE REICHERTS, *Mirakel Optical Co., 14 W. First St., Mount Vernon 15, N.Y.*

WANTED—Preserved avian specimens, just hatched, identified, maximum 12 hours old.—DAVID K. WETHERBEE, *Pomfret Center, R.D., Hampton, Conn.*

FOR SALE—Write for complete details and specifications on Specimen Case # 112, designed by the University of California, size 27" X 44" X 42"—priced at \$199.00, F.O.B., Escondido, Calif.—CHAPPELL'S HOUSE OF WOODCRAFT, *P. O. Box 1085, Escondido, Calif.*
