Places to Hide and Seek

BY JOHN M. "FROSTY" ANDERSON

FOREWORD BY DONAL C. O'BRIEN JR., CHAIRMAN OF THE BOARD, NATIONAL AUDUBON SOCIETY

Drawn from the National Audubon Society newsletter *Places to Hide and Seek*, which Anderson edited, these accounts of the development of fifteen NAS sanctuaries offer a personal, often humorous look at the daily and longer-term activities involved in protecting bird habitats. Collectively, they record an era in conservation history in which ordinary people, without benefit of Ph.D.'s, became stewards of the habitats in which they had lived all their lives.
