WADER STUDY GROUP - WINTER MEETING

The regular winter meeting will again be held during the evening of Saturday 8th January 1977 at the Ringing and Migration Conference which will be held at Swanwick, Derbyshire. After the business session there will be three talks:- Keith Anderson - the recoveries of Oystercatchers,  
Ian Bainbridge - the recoveries of Curlew  
Humphrey Sitters - lunar periodicity in weights of Dunlin.

It is hoped that as many members as possible will be able to attend.
