

BIBLIOGRAPHY OF ARTICLES PUBLISHED IN WSG BULLETINS 1-20

- Anderson, K.R. (1974) The biometrics, moult and recoveries of British ringed Ruff. No. 11: 5-14
- Anon (1971) Knot bibliography. No. 3 : 11-12
- Anon (1971) Dunlin bibliography. No. 4 : 7-9
- Anon (1972) Preliminary results from the Cambridge/Iceland 1972 Expedition. No. 6: 4-5
- Anon (1972) Wader ringing in South Africa. No. 7: 18
- Anon (1973) Some South African ringing recoveries. No. 9: 9
- Argyle (1974) 1973 Sidi Moussa Expedition. No. 12: 14-15
- Atkinson, N., Summers, R, and Nicoll, M. (1975) Notes on the weights and biometrics of Purple Sandpiper in Eastern Scotland. No. 15: 5-11
- Bainbridge, I. (1973) An ageing technique for Golden Plover. No. 10: 12-14
- Bainbridge, I. (1975) Curlew, cramp and keeping cages. No. 16: 6-8
- Bainbridge, I. (1976) A method of making wader decoys. No. 19: 19-21
- Brown, S.C. (1974) Common Sandpiper biometrics. No. 11: 18-24
- Challinor, P.W. (1976) SCAN ringing group. No. 19: 8-10
- Dick, W.J.A. (1973) Progress report on the Mauritanian Expedition. No. 10: 4-7
- Dick, W.J.A. (1975) Mauritanian wader recoveries and controls. No. 14: 9-11
- Eades, R. (1971) Wader ringing at Vadsøya, Northern Norway. No. 2: 6-7
- Eades, R. (1972) Some results from ringing Dunlin Calidris alpina L. on the Dee in May. No. 6: 11-12
- Eades, R.A. (1972) Some results from ringing Dunlin on the Dee estuary in autumn. No. 7: 15-17
- Eades, R.A. (1973) Some results from ringing Dunlin on the Dee in winter. No. 8: 11-16
- Elphick, D. (1972) Cannon netting on the Swale. No. 5: 5-7
- Etheridge, B. (1971) Weights and measurements of waders wintering in the Trucial States, Arabia. No. 3: 5-7
- Ferns, P. & Green, G.H. (1975) Methods of catching and studying breeding waders. No. 16: 9-12
- Fletcher, M. (1976) Ageing and sexing of Lapwings (Vanellus vanellus). No. 18: 5-6
- Folkestad, A.O. (1974) Ageing the Jack Snipe (Lymnocyptes minimus). No. 13: 9-10
- Goodyer, L.R. (1976) Lapwing weights and moult. No. 18: 9-12
- Green, G.H. (1973) Some notes on Bar-tailed Godwit ringing biometrics and moult. No. 8: 4-9
- Green, G.H. (1974) Joint biological expedition to N.E. Greenland 1974. No. 13: 5-7
- Green, G.H. (1975) Sanderling, Greenland and colour rings No. 15: 13-15
- Green, G.H. & Ferns, P.N. (1976) Methods of catching and studying breeding waders - an addendum. No. 17: 21-23
- Green, G.H. & Williams, A.E. (1972) University of Dundee N.E. Greenland Expedition 1972. No. 7: 5-6
- Greenhalgh, M. (1973) Black-tailed Godwits on the Ribble Estuary in autumn. No. 8: 8-9
- Harenger, M., Prünke, W & Speckmann, M. (1972) Wader ringing on sewage farms in Münster, West Germany. No. 6: 12-14
- Hemmings, C.M. (1976) Mist-netting for Lapwings at an inland gravel pit. No. 18: 6-7
- Kennedy, R.J. (1973) Biometrics of some British caught Lapwings No. 9: 4-7

- Koopman, K & Hulscher, J. (1976) Catching breeding waders on their nests. No. 19: 17-19
- Lessells, K. (1974) Wader expedition to Norway 1974. No. 13: 8-9
- Lessells, K. & Leslie, R. (1977) Alternative Wader catching No. 20: 17-21
- Mackie, P. (1976) A short note on Redshank in the Upper Clyde Estuary. No. 17: 5-10
- Minton, C.D.T. (1976) Catching Lapwings with cannon nets. No. 18: 7-9
- Minton, C.D.T. & Stanley, P.I.S. (1972) Biometric variations in the Curlew Sandpiper. No. 6: 7-10
- Morrison, R.I.G. (1971) Cambridge Iceland Expedition 1971 No. 3: 9-11
- Morrison, R.I.G. (1972) Cambridge Iceland Expedition 1972 No. 7: 7-9
- Morrison, R.I.G. (1976) Wader ringing in James Bay, Canada, 1974-1976. No. 19: 13-17
- Pearson, D. (1972) The use of leg colour as an ageing criterion in the Ruff. No. 7: 14-15
- Pearson, D. (1974) The timing of using moult in some Palaearctic waders wintering in East Africa. No. 12: 6-12
- Pienkowski, M. (1971) Studies on the Knot. No. 2: 5
- Pienkowski, M. (1971) The use of wing length for separating populations. No. 3: 7-9
- Pienkowski, M. (1971) University of East Anglia Expedition to Morocco 1971. No. 4: 4-6
- Pienkowski, M. (1972) The results of the University of East Anglia Expedition to Morocco 1971. No. 6: 5-7
- Pienkowski, M. (1972) University of East Anglia Expedition to Tarfaya Province, Morocco, 1972. No. 7: 11-13
- Pienkowski, M. (1974) Moroccan wader recoveries and controls. No. 11: 25-26
- Pienkowski, M. (1974) Joint Biological Expedition to N.E. Greenland 1974. No. 12: 5-6
- Pienkowski, M. (1976) Seasonal changes in bill lengths of Knots and a comment on bill measuring techniques for waders. No. 17: 12-14
- Pienkowski, M. (1976) Methods of catching and studying breeding waders - continued again. No. 18: 14-15
- Pienkowski, M. & Stanley, P.I. (1970) Wader catching in Iceland, Summer 1970. No. 1: 3-4
- Prater, A.J. (1970) How many Dunlin must be processed to obtain useful results? No. 1: 4-6
- Prater, A.J. (1971) Ageing of Snipe. No. 2: 8
- Prater, A.J. (1973) What to do with breeding waders and their pulli. No. 8: 9-11
- Prater, A.J. (1976) International wader counts. No. 18: 12-14
- Raynolds, C.M. (1976) Measurements of less frequently ringed waders in Britain. 1) Little Ringed Plover; Charadrius dubius No. 19: 10-12
- Shorten, M.V. (1977) Wax lining for rings placed on newly-hatched chicks. No. 20: 12-13
- Smallshire, D. (1977) The inland migration of Ringed Plover (Charadrius hiaticula) in autumn No. 20: 9-11
- Smart, M. (1975) The road from the Taimyr. No. 16: 16-17
- Stanley, P.I. (1971) The movement of Icelandic ringed Knot in Britain during the winter 1970/71. No. 2: 5-6
- Stanley, P.I. (1972) The WWRG visit to Denmark & Sweden August 1972. New information on the timing of Dunlin wing moult. No. 7: 9-10

- Stanyard, D. (1972) Cambridge Sidi Moussa (Morocco) Expedition  
1972. No. 7: 10-11
- Stanyard, D. (1974) Waders and wader ringing in Botswana,  
Southern Africa, and  
A note on the primary moult of *Calidris minuta* -  
Little Stint in Botswana. No. 12: 12-14
- Steventon, D. (1972) Cannon netting of waders on Hayling Island  
20/21 November 1971. No. 5: 7-8
- Summers, R. (1974) Arctic Ringed Plover in Eastern Scotland  
No. 13: 13-14
- Summers, R. (1976) The value of bill lengths of museum specimens  
in biometric studies. No. 17: 10-11
- Summers, R. & Buxton, N. (1974) Autumn waders in the Outer  
Hebrides. No. 13: 14-15
- Taylor, R.C. (1974) A method for sexing adult Ringed Plovers  
in summer plumage. No. 11: 15-17
- Tree, A.J. (1971) An ageing character of the Ruff. No. 4:6
- Williams, A. (1977) Instructions for the construction of boxes  
suitable for the keeping of waders. No. 20: 21-24
