

Publication Offer: Back numbers of WSG Bulletins

The WSG are to reprint back numbers of the WSG Bulletins most of which are now unavailable. We consider that it is extremely unlikely that there will be further reprintings. The Bulletins will be made available only in blocks of five (1-5, 6-10, 11-15 and 16-20) and will be printed in a limited edition, the numbers depending on the response by members. We would ask anyone who would like to order copies to let us know immediately - an order form is attached below and unfortunately we must ask for cash with order.

There will be a delay in supplying the volumes but we will endeavour to make it as short as possible. Would members of the WSG please let anyone who might be interested in obtaining copies know about this offer and ask them to contact A.J. Prater as soon as possible.
