SUBSCRIPTIONS FOR 1985 – A REMINDER

Those members who have mislaid the membership renewal form that was sent with *Bulletin* 42, and so have yet to pay their subscription for 1985, will be pleased to find a further copy of the form enclosed with this *Bulletin*. We urge those members whose payment is still outstanding to pay promptly now. This will save a great deal of extra time, effort and anguish in administration, and will also mean that you will receive no more of those embarrassing reminders. If you have yet to pay your

subscription, this *Bulletin* will be the last that you receive until we receive payment.

To ease the task of membership renewal, a Banker's Order Form (for use by those with British bank accounts) is included on the renewal form. By paying by Banker's Order you avoid the risk of forgetting to pay your subscription. Of course, if you have recently paid your subscription, please ignore this reminder.

ADDRESSES OF MEMBERS: A FINAL REMINDER

As noted in *Bulletin* 42: 1, we intend to publish a complete membership list shortly. We hope to include your correct address in this list, so if we are using an address for you

that is in any way incorrect, please tell the Membership Secretaries immediately. The address which is on our files appears on the envelope in which this *Bulletin* was mailed.

WSG ANNUAL GENERAL MEETING 1985 – ADVANCE NOTICE

The Annual General Meeting of the WSG will take place on Saturday 5 October 1985 during the conference at La Rochelle. The agenda for the AGM will be published in the August *Bulletin* (No. 44). Any items for inclusion should be notified to the General Secretary (Dr. S.R. Baillie) by 20 June 1985.

The three-year term of office of most of the members of the Executive Committee comes to an end at the Annual General Meeting (this does not apply to the General Secretary and Membership Secretaries who were elected in 1984). Any member of the Wader Study Group wishing to nominate alternative candidature should send nominations to the General Secretary (Dr. S. R. Baillie) by 20 June 1985.

Note that any candidate must be proposed and seconded, and must record his or her willingness to serve. If no other nominations are forthcoming, the names listed above will be put to the AGM for election. If other nominations arise, a postal ballot will be organised with the August 1985 *Bulletin*, and the matter will finally be decided at the 1985 AGM.
