

RECENT PUBLICATIONS ON WADERS 37

compiled by Theunis Piersma

This is the 37th 'Recent Publications on Waders' in *Wader Study Group Bulletin*. Since we try to make these lists as complete and up to date as possible, all help is most welcome. Omissions, mistakes, new titles, abstracts or reprints should be sent to Theunis Piersma, Korte Nieuwstraat 4, 9724 LC Groningen, The Netherlands. I am most grateful to Ian Bainbridge, Meinte Engelmoer and Cor Smit for help. Translated titles of papers in languages other than English are bracketed: round brackets if the translation is by the author(s); square brackets if not.

WADER STUDY GROUP MEMBERSHIP LIST 1985

We have taken the opportunity of further computerisation of the Wader Study Group membership records to print this complete listing of Wader Study Group membership current on 15 December 1985. The listing includes membership changes since *WSG Bulletin* 44 (August 1985). The listing updates the only previous complete membership listing, published in 1978, in *WSG Bulletin* 23: 56-72. Any changes, corrections or alterations to the listing should be notified to the Membership Secretaries (address on inside front cover of this *Bulletin*).
