

## RECENT PUBLICATIONS ON WADERS 39

compiled by Theunis Piersma

Since we try to make these lists as complete and up to date as possible, any help is most welcome! Send omissions, mistakes, new titles, abstracts or reprints to Theunis Piersma, Korte Nieuwstrasse 4, 9724 LC Groningen, The Netherlands. This time, I am most grateful to Ian Bainbridge, Ted Miller, Cor Smit and Francois Sueur for help. Translated titles in languages other than English are bracketed: round brackets if the translation is by the author(s); square brackets if not.
