

RECENT PUBLICATIONS ON WADERS 48

compiled by G. A. Gudmundsson

Since we try to make these lists as up to date as possible any help is most welcome. Please send omissions, corrections, new titles, abstracts or reprints to Gudmundur A. Gudmundsson, Department of Ecology, University of Lund, Ecology Building, S-223 62 Lund, Sweden.

For help with this issue I am very grateful to Ian Bainbridge, Peter Hicklin, Ake Lindstrom, Dr. V.V. Morozov and Theunis Piersma. Translated titles from languages other than English are bracketed; round brackets if the translation is by the author(s), square brackets if not.
