

WSG ANNUAL GENERAL MEETING, HUNGARY

In 1998 the Annual General Meeting for the members of Wader Study Group will be held in Keszthely, Hungary between 16-19 October. The lovely Hotel Helikon is built at the very edge of Hungary's largest lake, providing a romantic view.

The conference programme will start on Saturday morning and closes on Sunday afternoon following a nice excursion to one of the most important wetlands in Hungary called Little-Balaton. On Monday, 19 October there will be a Workshop day. Further details of this can be found on Page 18 of this *Bulletin*.

If you have still not decided to come to Hungary, here are some reasons not to hesitate any longer:

1. The atmosphere of the whole Conference is very friendly and participants are forming a kind of family.
2. Keszthely is a lovely little town with some nice historic buildings.
3. The Hungarian wines are fantastic and probably you can experience the Hungarian hospitality during the social evening of the Conference (just remember the last one in Hungary).
4. Why not come?

Our organising team warmly welcomes all wader-lovers to Hungary this autumn!
