

NO MIST NETS IN LATE JUNE OR EARLY JULY

This is advance warning that I will probably be abroad for the last half of June and the first half of July. We regret that NEBBA will be unable to ship nets, make quotations, or reply to questions about nets during this period, tentatively about June 12 through July 20, 1971. As this issue goes to press, the net types listed in the October 1969 issue (except H and HT) are all in stock, at the prices listed there (during my absence, copies of that listing may be obtained from Mrs. Howard).
