OPPORTUNITIES TO HELP THE ASSOCIATION OF FIELD ORNITHOLOGISTS: THE GOETZ AND BERGSTROM FUNDS.—Persons wishing to support the Association of Field Ornithologists beyond the usual forms of membership may want to consider donations, bequests, or memorial gifts to the two important funds: the Goetz Fund and the Bergstrom Fund.

The **GOETZ FUND** supports the *Journal of Field Ornithology*. We wish to build the Goetz Fund to the point where its income will support editorial expenses and honorarium, thereby making these expenses independent of the dues-derived income.

The **BERGSTROM FUND**, named in honor of a former editor, supports the annual Bergstrom Research Awards granted to applicants engaged in research in avian biology. Again, it is our intent to make the fund self-supporting with annual income designated for awards.

Your generosity in contributing to the principals of both funds will be appreciated when you write your dues check, you may designate an additional sum for either or both of the funds. All such gifts are tax deductible. Contributions to these funds are fitting ways to honor the memory of deceased banding associates. Beside cash, gifts of common stock on which you hold long-term gains may create favorable tax positions for you or your estate. By whatever form you choose to support these funds, any gift will give you the satisfaction of seeing income from your gift benefiting ornithological research and understanding. Please contact the treasurer: *Scott Sutcliffe, Cornell Laboratory of Ornithology, 159 Sapsucker Woods Rd., Ithaca, NY 14850.*
